The customer shall notify the CPW immediately of any defects, trouble or accident that may in any way affect the delivery of sewer by the CPW.

Bills are past due and delinquent on the nineteenth (19th) day after the date of the bill, at which time customer will be assessed a late charge equal to five percent (5%) of the unpaid past due amount. Disconnection may occur on the 29th day after the date of bill or thereafter, unless prior arrangements have been made with the CPW. Any customer who has his or her services terminated for non-payment shall also be subject to a \$75 non-payment fee for services to be restored during normal business hours.

The CPW shall not be liable to any customer or applicant for sewer collection service in the event it is delayed in, or is prevented from, furnishing the sewer collection service by its failure to secure and retain such rights-of-way, privileges and permits.
